WHO WE ARE

1.1 INTRODUCTION

STRUCON LIMITED is a multi-disciplinary firm specialising in Civil and Building Construction, Engineering Consultancy, Planning, Property Management, Civil Engineering Construction & Supplies.

The staff have considerable experience in technical design, construction supervision, as well as planning and management of engineering projects.

The firm works directly as contractors, suppliers, technical consultants, and managers involving complete project feasibility study, survey, design, and tender documentation, bills of quantities, bid evaluation, construction, supplies, supervision and management.

The target clients include Government Ministries, Parastatals, District and Local Administration Councils, Non-Governmental Organizations (NGOs), Donor Funding Agencies, World Bank, African Development Bank, European Union, Public Institutions and Private Developers such as Companies, Firms and Individuals.

STRUCON LIMITED can thus be a partner in your project implementation.

1.2 THE COMPANY

STRUCON LIMITED is a Limited Liability Company incorporated in Uganda in the year 2013 as a result of a merger of reputable personnel of different professions. It is licensed by the Registrar of Companies as an independent firm dealing in all forms of Consultancy Services to general engineering and business- related services.

STRUCON LIMITED is a member company of the Uganda National Association of Building and Civil Engineering Contractors, which is one of the most reputable Consulting firms in the country.

STRUCON LIMITED draws its main stream from its managers and directors, who have exclusively served in various capacities and the experience they have obtained puts them in the best position to serve you in all aspects of life.

1.3 LOCATION AND CONTACT ADDRESS

Physical Address: Plot 9, Ssuuna Road, Ntinda

Postal Address: P. O. Box 6337, Kampala

Uganda Telephone: (+256) (0) 392419598

Mobile Phone: +256-782028035, +256-702376733,

E-mail: struconlimited@gmail.com

info@strucon.co.ug

Contact Person: Eng. Aikoa Patrick (Managing Director)

1.4 MOTTO

High Quality Client-Focused Structural and Civil Engineering Solutions.

1.5 VISION

"To be exemplary in the provision of quality engineering services, design and construction, business and supplies. We will earn our customers' enthusiasm through continuous improvement driven by the integrity, teamwork, and innovativeness by our staff."

1.6 MISSION

STRUCON LIMITED strives to be the preferred and reliable service provider for cost-effective services discharged in the highest standard of professionalism, efficacy, efficiency, integrity and impartiality.

1.7 MANAGEMENT

The firm is managed by well qualified engineers; each with very good experience in construction, supplies, design, evaluation, supervision and management of civil engineering projects.

Ownership: The Directors of the Company are skilled Ugandan professionals who have excelled in the fields of Engineering, Marketing and Physiology.

ORGANIZATIONAL CHART

HUMAN RESOURCE

1.8 STAFF OVERVIEW

STRUCON LIMITED is proud of its team of management and technical staff comprising of skilled, reputable, competent, highly experienced, dynamic, motivated and hardworking professionals who are committed to establishing a strong culture for efficacy, efficiency, integrity, absolute honesty, impartiality, courtesy and sensitivity to the interests of our esteemed Clients.

1.8.1 STAFFING LEVELS

Staff available to undertake any projects according to its particular need are drawn from the following Human Resources Bank:

Engineers	8	Masons	5
Valuer 1		Carpenters	5
Surveyor	1	Plumbers	3
Foremen	5	Electricians	4
Technicians	3	Support staff	20

1.8.2 TECHNICAL EXPERIENCE & QUALIFICATIONS

STRUCON LIMITED has the capacity and support of a broad range of personnel covering individual experience gained while executing projects. They have executed prestigious projects covering all disciplines in engineering, power transmission lines and substations, construction and Research fields.

Our professional engineers have had considerable experience in technical and contract matters to confidently advise clients and implement projects.

They extend assistance to the clients and contractors employed on quality control, programming and working methods thus avoiding poor workmanship and delays. This, in turn, saves both the client and contractor time, as well as serious cost overruns. Our mission is to complete all projects within budget and time.

The qualifications and experience of the key personnel proposed for administration and execution of the contracts are:

NAME	POSITION	QUALIFICATION	YEARS OF EXPERIENCE
1. Eng. Patrick Aikoa	Managing Director	Civil Engineer	Fourteen (14)
2. Kagonyera Warren	Project Manager	Civil Engineer	Seven (7)
3. Okello Moses	Projects Manager	Civil Engineer	Eight (8)
4. Mayega Edmond	Technical Director	Civil Engineer	Seven (7)
5. Osbert Aryeija	Finance Admin	Accountant	Six (6)
6. Denis Sempebwa	General Foreman	Civil Engineer	Twelve (12)
7. Ssenko Henry	Projects Engineer	Civil Engineer	Ten (10)
8. Gitta Robert	Electrical Engineer	Electrical	Eighteen (18)
9. Arthur Andrew Kumbu	Director Surveying	Surveyor	Eight (8)
10. Eng. Stephen Mugisa	Operations Manager	Electrical Engineer	Nine (9)
11. Justus Tumwesigye	HSE Manager	Mechanical Engineer	Fourteen (14)
12. Tweheyo Simpson	Mechanical Engineer	Mechanical Engineer	Eleven (11)
13. Gumomuriwe Cryspas	Quantity Surveyor	Quantity Surveyor	Seven (7)
14. Namirimu Mary	Quantity Surveyor	Quantity Surveyor	Two (2)
15. Muhwezi Bright	Resident Engineer	Mechanical Engineer	Two (2)
16. Bwambale Eryeza Walina	Resident Engineer	Civil Engineer	Three (3)
17. Nimwesiga Blair	Resident Engineer	Civil Engineer	One (1)
18. Odoki Francis	Resident Engineer	Civil Engineer	Ten (10)

EQUIPMENT & MACHINES

1.9.1 OWNED

EQUIPMENT	DESCRIPTION	CONDITION
1. Tipper	Isuzu	Good
2. Double cabin pick-up truck	Ford	Good
3. Double cabin pick-up truck	Toyota Hilux	Good
4. SUV 4X4	Land Cruiser Prado	Good
5. Suv vehicle	Toyota Rav 4	Good
6. Concrete mixers	Lister petter	Good
7. Poker vibrators	Honda GX 150	Good
8. Dumpy level	South	Good
9. Total Station	Topcon	Good
10. Pedestrian rollers	Bomag	Good
11. Scaffolding	Steel	Good

1.9.2 LEASED

EQUIPMENT	MAKE	AGE	CONDITION	LEASED
1. Dozer D6 or Excavator, with rippers	CATERPILLAR D7R (UAY 356Y)	2015	Good	Leased From Mantrac (U) Ltd
2. Heavy M/Graders, min120Hp	140K (UBB 282E)	2017	Good	Leased From Mantrac (U) Ltd
3. Excavator	UAS 082R KOMATSU PC220- 8	2011	Good	Leased From Mantrac (U) Ltd
4. Front End Wheel Loader	CATERPILLAR 950GC (UBC 507B)	2017	Good	Leased From Mantrac (U) Ltd
5 (i) Tipper Truck (10)TON	UAX 156D RENAULT DUMPER TRUCK	2012	Good	Leased From Victoria Motors LIMITED
(ii) Tipper Truck (10)TON	UAX 203D RENAULT DUMPER TRUCK	2012	Good	Leased From Victoria Motors LIMITED
(iii) Tipper Truck (10)TON	UBA 454Z RENAULT DUMPER TRUCK	2015	Good	Leased From Victoria Motors LIMITED
6. Vibrating Rollers (10 Ton)	UBB 836D DYNAPAC	2014	Good	Leased From Victoria Equipment
7. Water Bowser (10,000 Lit Capacity)	UAX 048Q ISUZU	1989	Good	Leased From Classic Oils Uganda Limited
8. Fuel Bowser (3000 Ltrs)	UAS 099Z DYNA	1993	Good	Leased From Classic Oils Uganda Limited

SCOPE OF WORK

2.0 MAIN DISCIPLINES

STRUCON LIMITED undertakes complete Consultancy Services, Construction, Supplies and Management of Engineering Projects in the following main disciplines:

- Power infrastructure civil works and maintenance
- Structural & building projects
- Office maintenance services
- General supplies
- Civil & infrastructure projects
- Roads, highways & transportation projects
- Aquaculture facilities
- Water supply, environmental & sanitation projects
- Project management services

The following projects services are offered in connection with the above disciplines:

- Feasibility studies
- Topographical surveys
- Preliminary, working drawings and final design
- Environmental assessment
- Geotechnical site investigations
- Construction/project implementation
- Supplies of all required materials
- Material testing
- Hydrological surveys
- Engineers cost estimates
- Quality control and assurance
- Oil and gas exploration services

2.1 STRUCTURAL & BUILDING PROJECTS

Specialised in construction and design of low and high-rise structures in reinforced concrete, masonry, structural steelwork and timber work for the following:

- Office and commercial buildings
- Institutional and residential buildings
- Warehouses and factory complexes
- Water retaining structures (low and elevated)
- Bridges, culverts and drainage structures

2.2 CIVIL & INFRASTRUCTURE PROJECTS

Undertakes Design, Construction, Supervision and Monitoring of a wide range of Infrastructure and Civil Engineering works as follows:-

- Power transmission and distribution lines, and associated substations
- Housing estates and associated works
- Estate roads, storm water, street lighting and sewerage
- Access roads and parking facilities for institutional residences
- Valley dams and tanks
- Irrigation systems

2.3 ROADS, HIGHWAYS & TRANSPORTATION PROJECTS

Undertakes commission in Feasibility Study, Design, Construction, and Supervision of the following:

- Public roads & highways
- Transportation engineering
- Traffic surveys
- Pavement design and loading
- Hydrology for bridges, box culverts and drainage structures
- Material investigations and topographical surveys

2.4 WATER SUPPLY, ENVIRONMENTAL & SANITATION PROJECTS

Undertakes Design, Construction, Supervision and Monitoring of a wide range of Water Supply, Environmental and Sanitation Works as follows:

- Surface water resources
- Ground water resources
- Water supply for rural population
- Urban water supply and treatment
- Waste water and effluent treatment
- Industrial waste and solid disposal
- Environmental assessment

2.5 MANAGEMENT CONSULTANCY SERVICES

The following Project Management Services are offered:

- Project identification, feasibility, appraisals and reviews
- Economic and financial management studies
- Project advisory services and administration
- Project Managers
- Programming, supervision, monitoring and evaluation
- Minutes of site meetings, payment certificates and progress reports
- Documentation, bidding, evaluation and contract negotiations
- Bills of quantities and costing

SCOPE OF WORK

2.6 KEY RELEVANT EXPERIENCE IN THE LAST NINE (9) YEARS (2014-2023)

NAME OF CLIENT & CONTACT PERSON	PROJECT NAME	WORK DONE	YEAR OF COMPLETION
1. Pader Local Government	Rehabilitation of Painyang-Latigi (4.78 km) climate-resilient community access road in Latanya Sub-county, Pader District	Civil Earth works, Bridge Works, Box Culvert Installation	September 2022 to-date
2. Bank of Uganda	Renovation of Bank of Uganda, Kabale Branch	Painting, Canopy Installation	December 2022 to-date
3. Bank of Uganda	Provision of civil and electrical works for revamping of the HR Training Room at Bank of Uganda headquarters, Kampala	Ceiling Repair, Timber floor Installation, Wall Paper Application	July 2022 to-date
4. Uganda Revenue Authority Mr. Jackson Mukonyezi Supervisor Facilities Mgt Tel: +256417442153 0772-142002	Repair of NIP Roof at Uganda Revenue Authority Headquarters, Kampala	Translucent Sheet Replacement, Gutter repairs and repairs, Bituminous Painting Works	March 2022 to August 2022
5. Uganda Revenue Authority Mr. Jackson Mukonyezi Supervisor Facilities Mgt Tel: +256417442153 0772-142002	Application of Epoxy Floor Finish at DPC, AC-FS & Fleet Office	Application of Epoxy	July 2022 to-date
6. Uganda Revenue Authority Mr. Jackson Mukonyezi, Supervisor Facilities Mgt Tel: +256417442153 0772-142002	Conversion of 12 M Gap into Office Space	Electrical Installations, Tank Installations, Painting Works, External Works	January 2022
7. Uganda Revenue Authority (URA) Mr Joshua. W Tel:0772104134)	Renovation works of 40ft Container at NIP- URA	Demolition Works, Painting Works, Electrical Installation	July 2021 to August 2021

NAME OF CLIENT & CONTACT PERSON	PROJECT NAME	WORK DONE	YEAR OF COMPLETION
8. Uganda Revenue Authority (URA)- Mr Joshua. W, Tel:0772104134	Modification of Space Above URA Records Centre into additional Office Space	Building construction, plumbing, electrical installations, finishes, and mechanical installations	2020 to January 2021
9. Uganda Revenue Authority (URA) Mr Joshua. W, Tel:0772104134	Partitioning of additional office space above current records Repository - URA	Aluminium Partitioning	June 2021 to July 2021
10. Uganda Revenue Authority (URA) Mr Joshua. W, Tel:0772104134	Construction Of Office Pre-Fab At Amudat Cue	Steel Framing, Electrical Installation, EPS sandwich panels Installation	June 2021 to July 2021
11. Uganda Revenue Authority (URA) Mr. Jackson Mukonyezi Supervisor Facilities Mgt Tel: +256417442153 0772-142002	Remedial works at URA Tower	Aluminium partitioning, Steel Fabrication, Wall finishes	March 2021 to January 2022
12. TotalEnergies KIZITO Henry Sam Mukasa Projects Engineer - Total Uganda Limited +256 783 883890	Proposed Modernization of Total Jinja Main Street Service Station	Electrical Installations, Tank Installations, Painting Works, External Works	July 2021 to February 2022
13. United Nations High Commissioner for Refugees (UNHCR) Fred Muno Ochoka- Tel: 0772981792 Email:ochakaf@unhcr.org	Construct 01 OPM Office Block, Car shade and five-stance VIP Latrine Palebek Settlement (UNHCR)	Building construction, electrical installations, Finishes and Mechanical installations	January 2021 to July 2021
14. Anaka General Hospital, Nwoya District	Proposed Renovations for Nurses Quarters (Block A)	Ceiling Repair, General Painting, Electrical & Mechanical Installations	July 2022 to October 2022
15. Ivan Rogers Otiang Field Engineer Mercycorps Uganda Cel: +256 776454350 twitter: @IOtiang Moroto Plot 5, Lote Road, Moroto	Rehabilitation of Nadunget Livestock Market	Incinerator Installation, Chain-link Installation, Landscaping, Water Tank Installation, Masonry Works	May 2022 to November 2022

SCOPE OF WORK

	NAME OF CLIENT & CONTACT PERSON	PROJECT NAME	WORK DONE	YEAR OF COMPLETION
16.	Eskom Uganda Limited – Eng. Anne Kitta – Tel:0772506732	Supply and Installation of power house window louvres	Supply and Installation of power house window louvres	March 2020
17.	Eskom Uganda Limited – Eng. Anne Kitta – Tel:0772506732	Rebuilding of Risk office at Nalubaale Power Station	Building construction, electrical installations, Finishes and Mechanical installations	October 2020 to December 2020
18.	Ministry of Agriculture, Animal Industry and Fisheries (National Livelihood Infrastructure Program)	Extension of Water System (23 Km) to Kasolwe Agriculture Stock Farm in Kamuli District under National Livelihood Infrastructure Program - NLPIP)	Excavations for Piping Works, Water Network Design	2020
19.	Uganda National Roads Authority M/S Kuuka Investments Limited-Miss. Nakamya Jane Tel:0780601901	Periodic maintenance of selected national unpaved roads for 23 UNRA stations	Periodic maintenance of selected National Unpaved roads for 23 UNRA stations	August 2020
20.	Wim Services Limited For Tullow Uganda (U) Limited; Mr. Allan Katumba- Tel:0782454568	Provision of Civil Works - Wellsite Repairs in North and South Exploration Areas	Concrete works on the wellsite Cellers, grading and regaveling wellsite roads	July 2020
21.	National Teachers' College Muni, Arua Sumadhura Technologies Ltd- Uganda. – Mr. Shyam Sunder – Tel:0757957176	Construction of National Teachers College Muni (Phase II) lot3 – Northern wing	Construction of National Teachers College Muni (Phase II) lot3 – Northern wing	October 15, 2018 - February 3, 2020

NAME OF CLIENT & CONTACT PERSON	PROJECT NAME	WORK DONE	YEAR OF COMPLETION
22. Farm Africa, - Plot 80, Kanjokya Street, Kamwokya, P.O. Box 2318, Kampala - Uganda	Extension of Piped Water Scheme (21.9 Km) to Lomacar Agric Stock Farm in Kaabong District	Pipework Fitting, installing flanged concentric taper, Installing flanged tee to Junctions and Branches, Installing Compression Flange adaptor to HDPE pipe spigots, Concrete and Formwork Finishes	July 2020
23. Eskom Uganda Limited – Eng. Anne Kitta –Tel:0772506732	Painting of transformers at Nalubaale Power Station	Painting of transformers at Nalubaale Power Station	October 2019
24. Eskom Uganda Limited – Eng. Anne Kitta –Tel:0772506732	Supply of scaffolding material	Supply of Scaffolding material for Unit 14 and Unit 15 Civil works	January 2019
25. Ministry of Works & Transport – Eng. Joseph Rutagi	Supply of Stone aggregate size 14/20 MML	Supply of Stone aggregate size 14/20 MML for National Trade Show Grounds in Jinja district	May 2019
26. Ministry of Works & Transport – Eng. Joseph Rutagi	Supply of fill material	Supply of fill material for upgrading to bitumen standards of Chebrot Road in Kapchorwa	September 2019
27. Home Bliss Hotel, Fort Portal	Construction of Home Bliss Hotel 8 Cottages, Kitchen, Laundry, Boundary walling, Paving and Landscaping Works	Construction of Home Bliss Hotel 8 Cottages, Kitchen, Laundry, Boundary walling, Paving and Landscaping Works	May 11, 2019 - May 21, 2020
28. American Refugee Committee- P.o.Box 112, Naguru Kampala	Extension Of Piped Water Scheme In Ariwa Health Center Iv Bidibidi Settlement, Yumbe District	Pressure Testing, Placing of Concrete Works, Steel Reinforcement Works, Pipe Work Fittings to bends, Pipe Work Fittings to Junctions and Branches, installation of pressure switches to pump mains	2018

SCOPE OF WORK

NAME OF CLIENT & CONTACT PERSON	PROJECT NAME	WORK DONE	YEAR OF COMPLETION
29. Proess Limited – Eng. Micheal Daka Tel:0782819688	Sub-Consultancy service for GET FIT Power Evacuation and Grid Interconnection Project	Construction Supervision of the GET FiT Power Evacuation and Grid Interconnection Project	February 2018 to-date
30. Eskom Uganda Limited – Eng. Anne Kitta –Tel:0772506732	NPS/KPS perimeter fence repair works -Uganda	NPS/KPS fence repair and piezometer base concreting	August 2018
31. Kalangala Infrastructure Services Limited - Mr. Bruno Mugabe- Tel: 0772358316	Infrastructure Maintenance works at KIS- Kalangala - Uganda	Power plant concrete works, Storage yard facilities and ferry facilities	April 2018

Client: TAIKAI SHADONGO POWER ENGINEERING

Project: Construction of 200kV Kawanda-Masaka and Mbarara substations

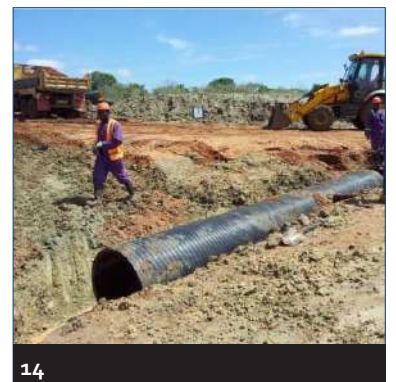

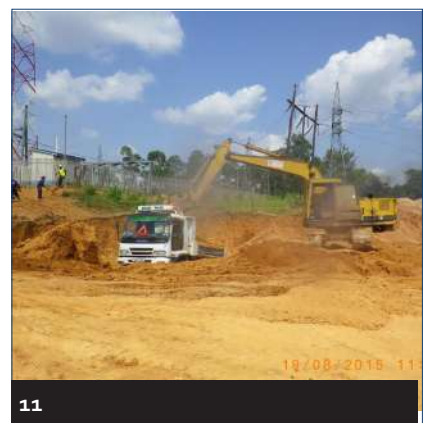

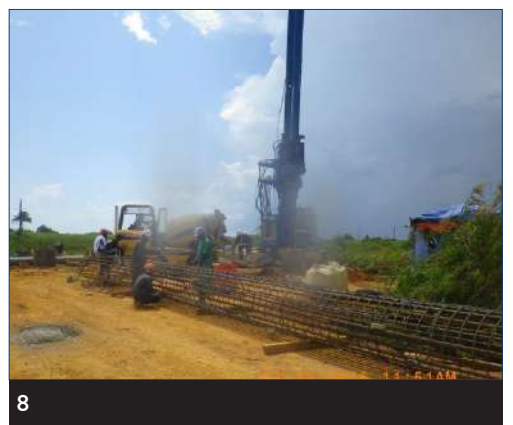

Duration: June 2016 - 2017

3.2 OBJECTIVES OF THE PROJECT

- Substation access
- Control room, roads and civil works
- xx

Client: BANK OF UGANDA

Project: Painting of Kabale Branch

Duration: January 2023

3.0 OBJECTIVES OF THE PROJECT

- Painting of external and internal walls
- Civil modifications

Erected scaffolds for painting of high points

Painted external walls

Client: TOTALENERGIES

Project: Modernisation of Jinja Main Service Station

Duration: July 2021 to February 2022

3.1 OBJECTIVES OF THE PROJECT

- Site inspection and risk assessment
- General mobilisation
- Excavations and demolitions
- Fuel tanks decommissioning
- Foundation testing
- Masonry works
- Concrete works
- Reinforcement fixing
- Degassing cleaning and decommissioning of old tanks
- Waste management

EXCAVATION AT THE FORECOURT AND FORECOURT DRAINAGE

MAJOR EQUIPMENT INSTALLATIONS

Delivery of tank on site

Concrete over frame under tank

Backfilling with neutral coarse sand

Plastering the pillars and applying the first coat of paint in the service bay

Tank stand excavation and blinding

Pump installation

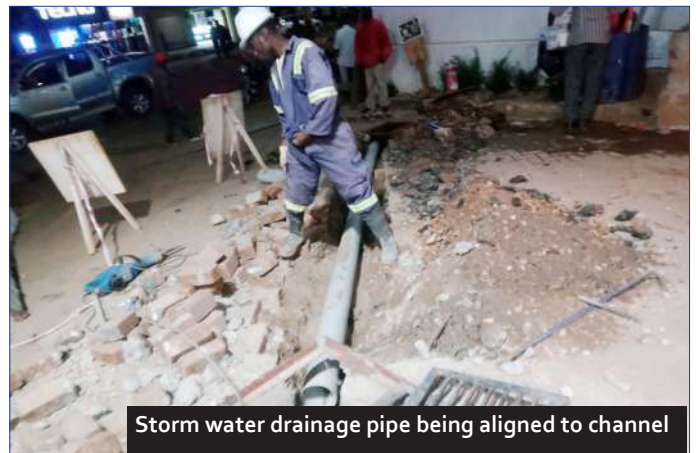

Installing manual semi – rotary pump spec. No. 5

Tank cover labelled

Testing electrial works

Client: UGANDA REVENUE AUTHORITY

Project: Conversion of 12 meter gap into office space

Duration: January 2022

Fixed aluminium framing with MDF Board

Fixed interior works

Installed distribution board

3.2 OBJECTIVES OF THE PROJECT

- Electrical and mechanical installations
- Masonry works
- External and internal finishes

Fixed air condition outdoor units

Fixed granite worktop in the cafeteria

Electrical installations ongoing

AC drainage pipe installation

Terrazo polishing

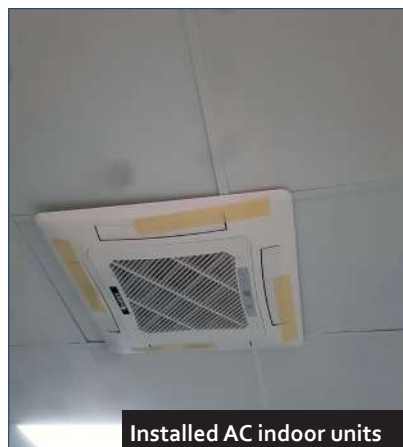

Glazing work fitting

Aluminium framing

Urinal installations

Installed AC indoor units

Installed fire extinguishers

Client: NATIONAL TEACHERS' COLLEGE, MUNI
(PHASE III) LOT 3 - NORTHERN WING

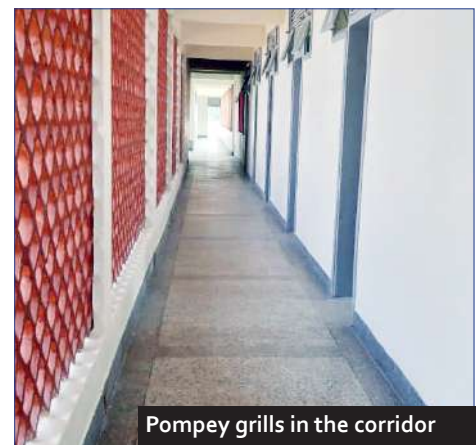

Project: Construction of new dormitory (2No. Blocks)
Renovation of existing Winnie Mandela Dormitory

Duration: October 15, 2018 - February 3, 2020

3.3 OBJECTIVES OF THE PROJECT

- Substructure construction
- Superstructure construction
- Internal & external finishes
- Electrical & mechanical installations
- Landscaping works
- Water system installations

Inspection of walling for the superstructure

Steel reinforcement for foundation

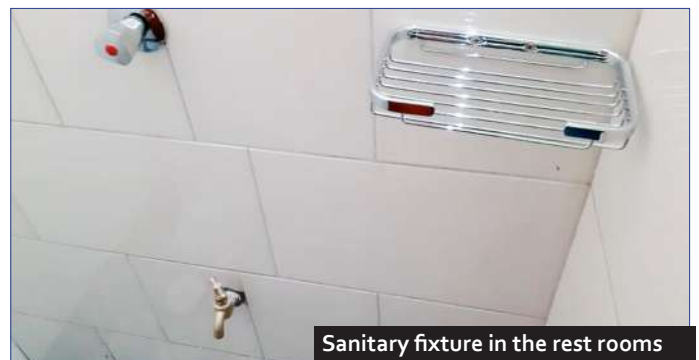

Max span installation on level one

ROOF INSTALLATION ON MAIN BLOCK

Vertical column form work ready to receive concrete

Sanitary fixture in the rest rooms

Client: TOTALENERGIES E&P UGANDA B.V.

Project: Construction of Exlog Base Camp in Industrial Area, Buliisa

Duration: October 2022- January 2023

Installed edge kerb stones

3.4 OBJECTIVES OF THE PROJECT

- Installation of pre-fab containers
- Electrical and mechanical installations
- Civil works

Electrical installation

Walking slab installation/fitting

Installing container pre-fab

Client: HOME BLISS HOTEL, FORT PORTAL

Project: Construction of Main Block, 1 Conference Hall and Boardroom, 9 Cottages and Paving and Landscaping behind Conference Hall

Duration: May 11, 2019 - May 21, 2020

3.5 OBJECTIVES OF THE PROJECT

- Substructure construction
- Superstructure construction
- Internal and external finishes
- Electrical and mechanical installations
- Landscaping works

Client: ANAKA HOSPITAL, NWOYA

Project: Renovation of staff quarters

Duration: July 2022 to October 2022

3.6 OBJECTIVES OF THE PROJECT

- Demolition of old works
- Electrical and mechanical installations
- External and internal painting
- Landscaping works
- Ceiling and floor repairs

Repair of external drainage

Fixing new external doors

REPLACING DILAPIDATED WINDOWS

Finished kitchen sink

External wash basin

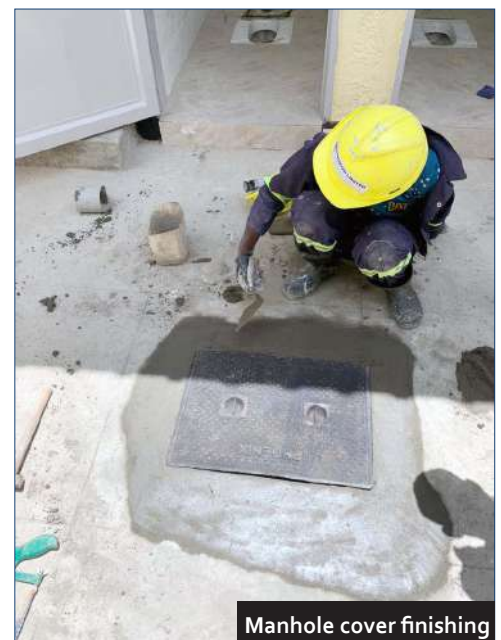

Installed new squat toilets

Internally painted walls

External painting

Manhole cover finishing

Client: PADER LOCAL GOVERNMENT

Project: Rehabilitation of Painyang-Latigi Road
4.78km CAR Latanya Sub-county, Pader

Duration: September 2022 - 2023 (ongoing as at January 2023)

3.7 OBJECTIVES OF THE PROJECT

- Site preparatory works
- Setting out and site clearing works
- Earth works
- Drainage works, including bridges, box culverts, ARMCO culverts, concrete pipe culverts, mitre drains, ponds and soak pits where applicable
- Gravelling and completion works
- Maintenance works
- Tree planting and slope protection
- Preliminaries and general items

Roadside offshoot installation

Nov 25, 2022 16:53
Unnamed R
Backfilling on the carriageway

Dec 8, 2022 12:42:20
Gulu-Kitgum Road
Blinding works for box culvert

Dec 8, 2022 18:18:53
Concrete surface finishing for box culvert blinding

REINFORCEMENT FIXING FOR BOX CULVERT AND BOTTOM SLAB

Dec 14, 2022 18:00
Gulu-Kitgum Road
Northern R

Dec 15, 2022 16:01:40
Gulu-Kitgum Road
Northern R

Client: MERCY CORPS

Project: Rehabilitation of livestock market facilities at Nadunget Sub-county, Moroto District

Duration: May 2022 - November 2022

3.8 OBJECTIVES OF THE PROJECT

- Electrical and mechanical installations
- Landscaping works
- Civil modification works

Client: UGANDA REVENUE AUTHORITY (URA)

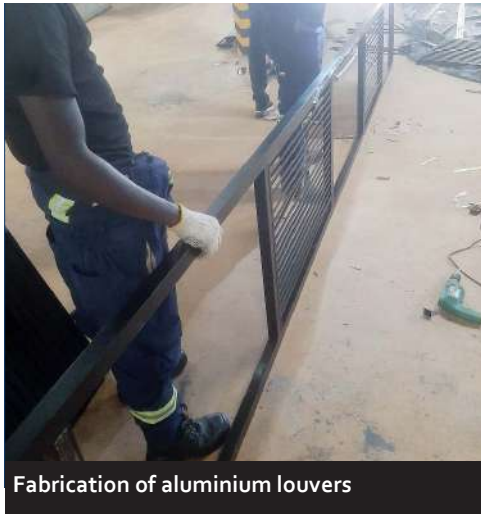

Project: Proposed remedial works at URA Tower

QSHE PRACTICES

4.0 QUALITY, SAFETY, HEALTH & ENVIRONMENTAL PRACTICES

STRUCON LIMITED's commitment to the importance in quality, safety, health & environment practices forms an integral part of the philosophy.

Every day in our in-plant and on-site activities, we seek to maintain the highest quality levels while providing a safe and health workplace that protects employees, customers, suppliers, communities and the environment.

We strongly adhere to operating our business within the framework of applicable legislation and requirements, always focusing on quality, safety, health and environment above all to achieving the objective of ZERO accidents.

Together with our maintenance and project team, our dedicated team of QSHE personnel are always constantly, maintaining and continually improving our QSHE performance.

We consider it essential to evaluate, train, motivate and make our employees be responsible in order to sustain and continuously improve our systems with reference to ISO 9001:2015, ISO 45001:2018, ISO:14001: 2015.

We strongly believe that having an established QSHE management system is one of the main factors contributing to our success and is crucial to us maintaining our reputation as an established service provider for the industry.

4.1 MAINTAINING AND DEVELOPING THE COMPANY'S EXPERTISE

The Quality Policy and Management Systems are regularly reviewed to ensure that they are adequate and effective in satisfying the company's aims and objectives.
